

PROFI

Professional – Reliable – On-time – Flexible – Integral
A division of SEVERIN CRAFTSMAN TRAINING CENTER
www.profi.severintrainingcenter.com

Who are we ?

Born as a Social Responsibility Project and out of the difficulties to find qualified craftsmen, the hotel Severin Sea Lodge in partnership with Mombasa Go-Kart trains every year about 30 young craftsmen. The trainees go through an apprenticeship and absolve different levels of Kenyan NITA exams and are trained on practical work in our maintenance departments.

Having now a pool of **well trained and qualified electricians, plumbers, carpenters, masons and welders** we want to avail them for contract work. Therefore we founded **PROFI**.

Beside of “fundis” we are run by a team of enthusiastic **well experienced craft-supervisors** to provide you with tailor-made solutions. We go above and beyond on every project, assess your needs and submit a clear quotation with transparent prices and timelines.

Our Craft Supervisors

We stand behind it
for quality and integrity

Our Workshop

What we do

We are a **general contractor service**
as well as a **handyman service**.

Your best choice in the area Mombasa. Whether you are looking for electricians, plumbers, masons, carpenters or welders we will help you. We will assess your project and deliver a quotation free of charge.

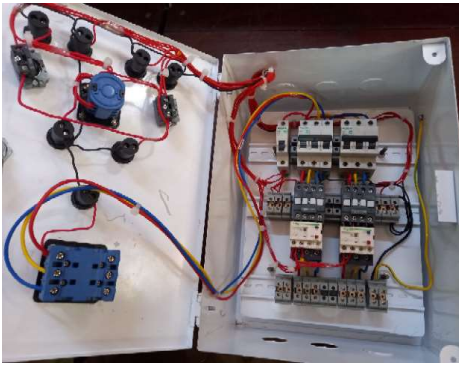

Do you need a new **entry-gate**, a **shade construction**, a **renovation of your bathroom**, a **tiled floor**, **wooden doors** or **windows**, a solar setup or is it just a **simple repair** or an existing installation ... we are the right address.

Our professional team is waiting for your request.

Please contact us under 0114 537 415 (phone or WhatsApp)

or email us profi@severintrainingcenter.com
